Ya know this is f all the women out there that have been
through similar
situations It don't matter where you from what you or
how much you have Every
female done been through this
chek this out
If i had this thing on me i would've shot you right then
If i had this thing on me i would've popped you right
then
Nigga
You said that you'll always be down fa me
If I had beef you had that four pound fa me
Fuck ya trucks, fuck ya jeeps, fuck ya ninjas and shit
I'm through with you and I'm still gom' handle my shit
Financially there when I needed you but so the fuck
fuck what
You stopped callin, came through with hat bitch
What you expectin me to cry nigga
I smokes lye nigga
and I'm gon' be straight from now till I die NIGGA
FUCK YOU and everything you stand for
I should've known not to ever fall in love with a ho
Chorus:
Why you tell me that you that you love me
Why you tell me that you care for me
When you wasn't there at all
Why you tell me that you down for me and you was at
all
(repeat 2x)

Took me to the spot that you like to gamble at
Had my boys in the spot that you like to gamble
WHILE THERE YOU WAS ACTIN LIKE A MAYOR
BIG MAN IN THE STREETS, HUH, YEAH, OKAY
