I want to understand
why I see my self in that picture
I look sad, I wonder whyyyyyy.
It's easy to hate,
It's harder to love me
Ya'll don't understand,
Ya'll quickly try to judge me
Put your foot in my Nikes,

Picture you livin' my life,
Picture you stuck in a home broke,
Picture you wasting your life,
Picture you facing a light,
Picture you beating the luck,
Picture you willing to bleed
just to do something to increase the odds and,
Picture you wearing my scar

Thank you for making me struggle,
Thank you for making me work hard
I perfected my self, not only as Troy but
as a rap star also I want to Thank God
Tell me the world ain't mine
Tell me why aren't you in love with me
Tell me is this the end, of the relationship

You've been seein' him lately,
I'm a miracle baby
I refuse to lose
I will not accept failure in my life
Picture you livin' my life,
Picture you stuck in a home broke,
Picture you wasting your life,
Picture you facing a light,
Picture you beating the luck,
Picture you willing to bleed
just to do something to increase the odds and,
Picture you wearing my scar

Picture this bye Im leaving
Im gone no more Im tired of you
Picture me if you forgot me

Im leaving because I can't satisfy
you Im tired of you controlling my life
so now I picture you when I get lone some
remembering all the fun we had when we were a
couple and glad, and now I.....

Picture you livin' my life,
Picture you stuck in a home broke,
Picture you wasting your life,
Picture you facing a light,
Picture you beating the luck,
Picture you willing to bleed
just to do something to increase the odds and,
Picture you wearing my scar
