Listing to rumors  
saying I am not funny  
I tell myself I know Im  
reality Text Meh,  
Im leaving my house  
heading to my friends house.

She calls my iPhone than my G1  
gets a Text message I read it. It says  
Troy Comon there filming Read It Or Weep  
I text you in a blink and call it a night  
I say Im sorry for the delay tonight I just left the  
set of one of the greatest movies of all times.

Tell you what how I'll make it up  
Tonight I'll make it our night  
Im not lying, any movie any price  
I'll buy it, nothing's too expensive for me.  
I'll take you. This is just for me and you.  
The two of us to enjoy the night together,  
remembering the other goodtimes we spent  
mumbling from the past.

Txting really fast, Saying "I Love You"  
getting a reply back saying "I Love You Too",  
I reply with Good night  
I receive "Sleep Tight". I txt one last time stating  
I'll see you again later on, I turn off my phone.

I get down on my knees I start to pray,  
"Dear Lord Now as I lay myself down to sleep,  
I pray the Lord my soul to keep.  
If I should die before I wake,  
I pray the Lord my soul to take."  
I thank you for completing The Otherside Of Me  
one last thing Good night, I love you.  
Aman, and thats all for tonight.
