Called you for the first time today  
Finally found the missing part of me  
I think it was you, but I  
Felt so close but you were so far away  
Left me without anything to say,  
I think its Love, but I don't know.

Now Im freakless, speaking speechless  
and Im also breathless,  
I never thought that Id catch this  
Tough Love again  
Running away has to stop  
Love is not always not the same  
or a happy ending either.

I can't focus at school  
always dreaming of you, and your  
perfect face, beautiful eyes  
Beautiful but you dont even try  
and you don't even know why  
Modesty is just so hard to find  
but you have it all, theres just one  
problem and I think I've solved it.

Now Im freakless, speaking speechless  
and Im also breathless,  
I never thought that Id catch this  
Tough Love again  
Running away has to stop  
Love is not always not the same  
or a happy ending either.

Saw her for the first yesterday  
went up to her and kiss her for the first  
time, in my life, my eyes so wide, my eyes are so bright  
that kiss felt like it was last night, feeling  
so delight Suddenly I forgot how to speak  
Breathless, baby cant you see?

Now Im freakless, speaking speechless  
and Im also breathless,  
I never thought that Id catch this

Tough Love again  
Running away has to stop  
Love is not always not the same  
or a happy ending either.

Oh man I think its Tough Love  
ha, ha.

Now Im living it as I dreamed  
Tough love is what she will be  
and what will make it,  
I was speechless, and breathless,  
but now I figured it all out.

Now Im freakless, speaking speechless  
and Im also breathless,  
I never thought that Id catch this  
Tough Love again  
Running away has to stop  
Love is not always not the same  
or a happy ending either.
