Coming up from nothing
coming up to something
Listen Really what do you see in me
When you looking at me?
See me come up from nothing,
To me living my dreams
I've been to the bottom,
I've already suffered alot,
I deserve to be rich,

Headed straight to the top
Look how I ride for my family,
Look how I rep for my fans, and meeeeee
I get nothing but love now
When I come through the neiborhood
See the look in my eyes?

You take all of this from me,
And I'm still gonna survive
see my life is Wall of Mine
You get truth from me,
and no lies. Tonight as I write
Wall Of Mine I am thinking of that
special one night, walking, and dreaming
kissing, and hugging, snuggaling.
And than running, from the beach.

As you walk away from me I see destiny
Saying Troy believe or else the girl will
pay the price, I stand there, and start to cry
I wounder why it has to be tonight, for
me to make the decision of my life,
I don't know what to do, I have to glance
and look at the Wall of Mine.

You take all of this from me,
And I'm still gonna survive
see my life is Wall of Mine
You get truth from me,
and no lies.

You take all of this from me,

And I'm still gonna surviveeee
see my life is Wall of Mineee
You get truth from me,
and no lies. Tonight
I look at The Wall Of Mine.
