Refrain:

When I come to the door- boom  
and you want some more- boom  
and I know who I am - bam  
I am the party man- slam

Verse:

Boomladiladi, I likes to party  
Toni is on the mic and you know we gotta started  
I got A.K. S.W.I.F.T. to party  
Babe, we need no dope, we need no ecstasy  
we got high with music  
you got your brains  
so why don't you use it ?  
Don't confuse is, don't abuse it  
just relaxe 'cause I am gonna proove it  
Drop the beat, come on drop the beat, yeah  
oh, you want me, page the beaper  
Then we gonna come straight to the door  
me and S.W.I.F.T. are gonna ask for more

You know we don't give up  
we come to deliver  
the music & lyrics tight to make your booty shiffer  
the dance house styleie  
in the place to be with my man T.C.

Refrain:

When I come to the door- boom  
and you want some more- boom  
and I know who I am - bam  
I am the party man- slam

Verse:

Listen up there is a brandnew jam  
we gotta going on and you know I am the party man  
Booya-Sound- it's coming to the speaker  
yes, we party from here to Costa Rica

Party is a base and a base is to make you party  
booyaka, booyaka, let me start it  
Hit the switch on the mic like I switch on the low rider

time to take it higher

Como estas- muy bien, muy bien  
you know IÂ´m the loco, you know IÂ´m the party man  
DJÂ´s spitting records like a rollercoast ride  
everybody is getting busy  
and you know we do it right

Put the needle on the racket,  
let me rack it, check it  
two amigos respected  
A.K. is in the cut bump  
putting the house jam  
got you look insane, damn !

Refrain:  
When I come to the door- boom  
and you want some more- boom  
and I know who I am - bam  
I am the party man- slam
