Jealousy
Jealousy will always be around
Jealousy
Jealousy will never gone get me

Iâ€™m a frequent traveller, million record seller
BOOYA drops the beat and I put the shit together
first things first: NANA one, PAPPa two
and what you gonna do if the crew aint with you
BOOYAAâ€™s in the cut and we make the people dance
But you talking shit, I ride my Porsche and my Benz
I talk about jealousy ,bad people, enemies,fake A-
Punks with a low life strategy
Playa hate with my picture on the wall
And then they act as they donâ€™t know me at all
But you know what I'll do ...ah...I laugh
and do you know whyah...the cash
The chatter, the cabbage buying flats and carats.
Every second month we got another gold record
Yo broâ€ thereâ€™s no need to get jealous,you live in
the project, I live in a palace.

Jealousy surrounding me
Jealousy will always be around me
Jealousy all eyes on me
Jealousy youâ€™ll never gone get me
Jealousy will be around me (2x)

I remember the time, when u said weâ€™ll make it,
I was homeless, bad, broke and naked!
Now what we see and touch turns to gold.
Now you suckers call and I put you on hold.
Toni Cottura please listen to my demo!
But I say ainâ€™t no, no face like neno.
All you motherfuckers out there spreading lies,
I pass the mic to my one and only wife

Here I come, here we come,baby, who that is? Gettin
crazy,
'cause you wanna play me.
My man sells millions, what you here is
BOOYA 'comin into your house,and through the

speakers straight to ya.
No place to run, no place to hide the booty,
I saw you watching us like you a little groupy.
Under pressure, 'cause you're jealous like a bitch.
Trying hard to make another hit, 'cause you need it.

Jealousy surrounding me
Jealousy will always be around me
Jealousy all eyes on me
Jealousy you'll never gone get me
Jealousy will be around me (2x)
