(Des Quango and the Cabasas)
A certain man of Zorah from
The Israelite tribe Dan
Had a wife who could bear him no child
Poor Manoah
Oh how he must have longed for
A son to come his way
But his wife could not bear him the child
Poor Manoah
And then one day an angel of the Lord
Delivered this astonishing message
"A son you will bear
But don't cut his hair
This shall signify to everybody
That he's set apart for God"
Yes on that day an angel of the Lord
Delivered this astonishing message
"A son you will bear
But don't cut his hair
For this shall signify to everybody
That he's set apart for God"
So the lady drank neither wine nor beer
As the angel did command
And became a wife who could bear a child
Known as Samson
She called him Samson
His name was Samson
