(Del Monte and the Maraschinos)  
Well, at the vines of Timnah  
When Samson was alone  
A lion came towards him  
And roared a fearsome moan  
But by the Spirit of the Lord  
He became a superman  
And tore the helpless lion  
As though it were a ram  
Supersam  
(Is it a  
bird or is it a plane ?)  
Supersam  
(Is it a bird or is it a plane ?)  
You ain't seen nothing yet 'til you clapped eyes  
On Supersam  
He didn't tell his mama  
His papa didn't see  
He just carried on walking  
To meet his wife to be  
And when he met the little lady  
He found he liked her charms  
Decided that he couldn't wait  
To hold her in his arms  
Supersam  
(Is it a bird or is it a plane ?)  
Supersam  
(Is it a bird or is it a plane ?)  
You ain't seen nothing yet 'til you clapped eyes  
On Supersam  
Some time later  
Near the wedding day  
That lion's carcass  
Was beginning to decay  
Samson saw it  
And he thought it was alive  
Until he saw a swarm of bees  
Had used it as a hive  
(Dig that. Brother guitarist.)  
Supersam  
(Is it a bird or is it a plane ?)  
Supersam

(Is it a bird or is  
it a plane ?)  
You ain't seen nothing yet 'til you've clapped eyes  
On Supersam  
Now Samson wasn't squeamish  
He didn't mess about  
He just put his little hand in  
And pulled some honey out  
Oh yes, he put that little hand in  
He took that honey out now  
He took some to his ma and pa  
But didn't blab about  
Supersam  
(Is it a bird or is it a plane ?)  
Supersam  
(Is it a bird or is it a plane ?)  
You ain't seen nothing yet 'til you clapped eyes  
On Supersam  
(Is it a bird or is it a plane ?)  
Supersam  
(Is it a bird or is it  
a plane ?)  
You ain't seen nothing yet 'til you clapped eyes  
On Supersam  
(That's some hero)
