(The Arachnids featuring Katie Koo)
And he grasped the central pillars
To the left and to the right
And he braced himself for action
For his final grand attraction
Oh cry out Samson
Oh cry out Samson
Let me die here with the Philistines
Oh cry out Samson
And with these words he'd spoken
Samson mustered all his strength
And there came a mighty rumbling
And the temple walls came tumbling
Down
You brought the house down
You brought the house down
(Ba)
And slain more victims in your death
(Da)
Than in your lifetime
Uh-oh, you brought the house down
You brought the house down
You brought the house down
(Beak, Beak, Beak)
[Beak ? Beak ?]
(T'yaa !)
