I like dirt

And dirt likes me

I like the mud

Stuck in my teeth

All in my fingers

Between my toes

I even like it

Up my nose

I like dirt

I like dirt

I like dirt

I like dirt

Just like the earthworms

Nightcrawlers too

They like dirt

Like it through and through

They play with dirt every day

Because to them

Dirt's the only way

I like dirt

I like dirt

I like dirt

I like dirt

So when time comes

To take a bath

I don't shout

I just laugh

Because I know

I'll get clean and then

I'll go outside and play with dirt again

I like dirt

I like dirt

I like dirt

I like dirt

I like dirt

I like dirt

I like dirt

I like dirt
