We were driving with a ooo-wah, ooo-wah, ooo
The sun was shining with a ooo-wah, ooo-wah, ooo
We were on cruise control with ooo-wah, ooo-wah, ooo
Ain't nothing like it with an ooo-wah, ooo-wah, ooo

(Chorus)

So just take me down away from all
I know I'll change
At least that's what I'm told
Our thoughts will fall
As life's story unfolds
Reveal the truth-
We're stuck in cruise control.

The world is changing with a ooo-wah, ooo-wah, ooo
We burn our bridges with an ooo-wah, ooo-wah, ooo
We wasted chances with a ooo-wah, ooo-wah, ooo
Our life's no longer like a ooo-wah, ooo-wah, ooo

(Chorus)

So just take me down away from all
I know I've changed
At least that's what I'm told
Our thoughts will fall
As life's story unfolds
Reveal the truth-
We're stuck in cruise control.

Pedal to the floor and I'm living in cruise control
Pedal to the floor and I'm losing all control
Pedal to the floor and I'm living in cruise control
Pedal to the floor and I'm losing all control

(Chorus)

So take me down away from all
I know I've changed
At least that's what I'm told
Our thoughts will fall
As life's story unfolds
Reveal the truth
We're stuck in cruise control.
