Remember when I caught your eye,
you gave me rainbows and butterflies
we did enjoy our happiness?
when our love was over
I was such a mess

I smiled at you
and you smiled back
that's when I knew
there's no turning back
you said you loved me
and I did too
now though it's over
I still love you

you're in my mind
you're in my heart
I wish I knew right from the start
all my friends said you break my heart
A heartbreaker right from the start

I tried to fight it
I tried so hard
and every day
I pray to god
that you and me were meant to be
but you had another
you had a lover

And now is gone
I don't know why
I feel like crying
just want to die
I can't look at you
and you know why
no, I tried so hard
to catch your eye

you're in my mind
you're in my heart
I wish I knew right from the start
all my friends said you break my heart

A heartbreaker right from the start

you're in my mind

you're in my heart

I wish I knew right from the start

all my friends said you break my heart

A heartbreaker right from the start
