Did you ever taste the pain  
that gnaws away within?  
Did you ever dare defy  
your slave morality?  
I embrace the pain  
Accept your defeat  
beneath effeminate hands  
Too afraid to attack,  
you're all cowards on your knees  
All Too Human

What do you know about  
What it means to be a man?  
Primitive beast afraid of truth  
All hide away  
I deny you  
Unable to transcend your lot

You lie there in your filth  
Subhuman waste  
Soon to be ground into the dust  
All Too Human

Driven by your balls and gut  
Unconscious of the world  
Tiny mind can't grasp complex reality  
Your shattered soul  
All are not created equal  
Certainly you were not  
Born to serve with the leash  
That's tied around your throat  
All Too Human
