The night is all around  
As you lay your head down  
Safe and sound  
Upon your pillow  
The day all but forgot  
Your blanket covers you  
Comfortably  
You count your sheep  
With your wife next to you  
The world is just so good  
Isn't it? It can't be better  
And as the sandman comes  
Visions of sugar plums  
All dance for you  
Yes life is good  
How do you sleep at night  
While Jack and Jill  
Are falling down forever  
How do you close your eyes  
While Humpty Dumpty  
Might be broke forever  
Your mommy's always said  
That you're a sleepy head  
And she is always right  
Isn't she  
But for the fun and games  
You're always wide awake  
And when you're with  
Your friends  
The jokes just never end  
How do you sleep at night  
While Jack and Jill  
Are falling down forever  
How do you close your eyes  
While Humpty Dumpty  
Might be broke forever  
Is there some magic  
You possess  
Some secret we can't know  
As yet  
Some switch you flip  
To disconnect

Which turns each toad  
To a princess
