Sometimes I hold a
Candle to it,
Finding the handle to it
IÂ'm holding something
Wonderful
And sometimes
IÂ'm without the light
Lost in the tricks
Of night
Moments
I have the pleasure of it
I take the measure of it
And time goes by
So thoughtlessly
And momentÂ's
Thought is like a stone
Another cup of Joe
Â'N Take somebody home
Time and tide
Have sands to sweep
And I've a waking dream
Love will wait
And children will keep
Love is a kiss to steal
Not written in the deal
Sometimes I drive a nail
Right through it
I pin the tail right to it
And I can feel it's happening
And suddenly it's so far away
And I remember I've got
Dreams to pay
