I don't expect nothin'  
For my time but my time  
I don't expect nothin'  
But my time  
You can go how you wanna go  
Do what you wanna do  
An' it's fine  
I don't expect nothin'  
But my time  
I don't expect nothin'  
For my rhyme but the rhyme  
I don't expect nothin'  
But my rhyme  
You can take what you  
Wanna take  
Leave what you wanna leave  
Behind  
I don't expect  
Nothin' but my time  
Once away in the past  
I passed myself by each day  
I was doin' things I didn't like  
For things that never happened  
Anyway  
I was lookin' ahead so hard  
I lost my place  
Now I try not to expect nothin'  
For my dime  
But the time  
River flows not carin'  
Where it winds  
You can say what you wanna say  
I ain't gonna change my way  
Or my mind  
I don't expect nothin' but my time
