

Tony Powers "The Answer"

Visit "[The Answer](#)" on MotoLyrics.com

Being is the answer
But the question's hard to see
Least it appears that way
To me
Living is the answer
Ah, but we can live
'Til eighty-three
And never ever feel our elbow
Man, I got this hemorrhoid
I guess it helps
Fill the void
Sigmund Freud
Self-employed
Anthropoid,
Paranoid
Question is the answer
And the answer's plain to see
Meanwhile, the question
Puzzles me
Ask your mother if she's bored
If she says she isn't yours
Take her to the Supreme Court
Use big words like heretofore
Question is the answer
And the answer's plain to see
Meanwhile, the question
Puzzles me
