On this letter

Might make feel much better

This stamp

On this letter

Couldn't make me feel much better

It's too late, I wrote it down...

Open up and drop it in

My mailman's my best friend

Through this slot

My letter slips as I tighten up my kung-fu grip

With each lick I make you stick

All sealed up I make you

32 cents

Insurance

Sent my insecurities first class

My letter slips as I tighten up my kung-fu grip

With each lick I make you stick

All sealed up I make you

Didn't mean to let you down  
I'll make it up to you somehow
