I wish to say it but she never listens, every mistake isnt
worth but you'll
make them,
Trust me im sorry, I shouldnt have said it,
Just got done bangin two girls in my basement,

But, she said goodnight, she hopes to see me tonight,
I really hope I was worth your time,
But I said goodnight, I hope to see you tonight,
I really hope I was worth your time,

She's a preteen drama queen,
and i'm not sayin that to be mean,
we'll try it your way I guess we'll see,
if I run, don't blame me,

The distance in landscape is all but the tall trees,
Since then i've changed bits and pieces of some
things,
It kind of helps to rewind all the good times,
Its been a long time since past times and false lines

But, I said goodnight I hope to see you tonight,
I really hope I was worth your time,
But she said goodnight she hopes to see me tonight, I
really hope I was
worth her time,

She's a preteen drama queen,
and i'm not sayin that to be mean,
we'll try it your way I guess we'll see,
if I run, don't blame me,

She can't help but try to save me,
I'm not scared of all but bravery,
Since im gone you wont be lonely,
See you soon I wont be horny,

But, she said goodnight, she hopes to see me tonight,
I really hope I was worth your time,
But I said goodnight, I hope to see you tonight,
I really hope I was worth your time,

She's a preteen drama queen,
and i'm not sayin that to be mean,
we'll try it your way I guess we'll see,
if I run, don't blame me
