

Trinny & Susannah "The Making Over America Themesong (fly Free)"

Visit "[The Making Over America Themesong \(fly Free\)](#)" on MotoLyrics.com

She's a little lost
Follows all the rules
Does whatever she is told to
Though nothing seems to change
Everything looks strange
Days are long when no one gets you

And like a firefly floating in the morning light, she cries
I'm gonna get free
Why don't you watch me?
I'm gonna turn into the girl I wanna be
No one can stop me
I'm gonna get free
I'm gonna spread my wings and fly, fly free
ooh ooh ooh ooh (x 4)

She just wants to play
Make a few mistakes
What's so bad about living life that way?
She's not coming back
She's saying look about
Nothing fits her now that she's changed her life

And like a firefly floating in the morning light, she cries
I'm gonna get free
Why don't you watch me?
I'm gonna turn into the girl I wanna be
No one can stop me
I'm gonna get free
I'm gonna spread my wings and fly, fly free
Ooh ooh ooh ooh (x 4)

I do believe I do believe that I can go up to the place
I've never known
I can go higher
I do believe I do believe that I can go up to the place
I've never known
I can go higher
Ooh ooh ooh ooh (x 4)

I'm gonna get free
Why don't you watch me?

I'm gonna turn into the girl I wanna be
No one can stop me
I'm gonna get free
I'm gonna spread my wings and fly, fly free
Ooh ooh ooh ooh (x 2)
