I can feel your breath, Its running through my soul,
I turn off my mind, And let you take control,
Is this another love song or do i need to get real,
When it comes to my life, you take the steering wheel,

There comes a time, When you find a place,
Its the only place you wanna stay..

Sing me a love song, You sing me a love song, I'm
singing a love song, to let you know I'm here

I could smell your scent, is it the same anymore,
I played the fool, i was so insecure,
Is this another love song, do i need to get real,
Won't you talk me through some of the ways you feel

There comes a time, When you find a place,
Its the only place you wanna stay..

Sing me a love song, You sing me a love song, I'm
singing a love song, to let you know I'm here

Lovin Lovin Lovin, Lovin Lovin Lovin, I'm Lovin Lovin
Lovin, Lovin Lovin Lovin..

Sing me a love song, You sing me a love song, I'm
singing a love song, to let you know I'm here, To let you
know I'm here
