(Verse1)

A million things run through her mind, Her young soul
must be terrified,
We only see it on the news, but put yourself into her
shoes,
Not knowing where your gonna go, your worst
nightmares have just unfroze..

(Chorus)

So Bring Her Home, To Where She Belongs,
We Can Take Away The Tears And The Uncertain Fears,
And I Don't Wanna Know, What You Thinks Wrong Or
Right,
All I Wanna Know.. Is That Their Bringing Her Home

(Verse2)

Look upto the skies above, and spread the word round
your neighbourhood,
Keep Her Close into your prayers,
Help Me Scream Out Loud Into The Open Air..

(Chorus)

So Bring Her Home, To Where She Belongs,
We Can Take Away The Tears And The Uncertain Fears,
And I Don't Wanna Know, What You Thinks Wring Or
Right,
All I Wanna Know.. Is That Their Bringing Her Home

(Breakdown)

We Can Do It, Keep Trying, Keep Strong Now..And We
can,We Can Do It, Just Keep Trying, Keep Strong
Now..And We can

Bring Her Home...(repeated)
