Crying eye's they'll never work,
I've seen the worst on the earth,
I've made my plans and I'm setting sail,
To a place I can never fail

And it's you,
I'm taking out,
And it's you,
But you'll figure it out,
Another day

Flowers and letters they won't heal the pain,
You can't fix a heart with a diamond ring,
These things just don't matter which can sound insane,
If you want love you can think again

And it's you,
I'm taking out,
And it's you,
But you'll figure it out,
Another day

I guess what I'm saying is we're breaking up,
But you'll find a new me around the block,
You just don't care as much as you say,
And now I know that I can be on my way

And it's you,
I'm taking out,
And it's you,
But you'll figure it out,
Another day
