Lead vocal: eric woolfson

I was alone in my room feeling sorry for myself.

Call me a prophet of doom, i could think of nothing else.

I found a freudian book gathering dust upon my shelf.

I thought i'll give it a look, would it hurt or would it help?

Freudiana, do you want to be somebody?

Freudiana, do you want to change the world?

I met the wolfman and the ratman, anna-o and little hans.

They were walking on a tightrope, i never thought they had a chance.

And then a hand reached out to hold them just before they tumbled down.

But i was standing in a quicksand and i could not feel the ground.

Freudiana, do you want to be somebody?

Freudiana, do you want to change the world?

I look back and try to find the part of me i don't know.

I won't stop till i see the truth. there's such a long way to go.

I saw a picture of a stranger but i don't understand.

He had a ring around his finger and something burning in his hand.

And i wanted him to teach me and i needed to believe.

But the shadows that he threw me were intended to deceive.

Freudiana, do you want to be somebody?

Freudiana, do you want to change the world?
