(lead vocal - eric woolfson)

If i cried out loud  
Over sorrows i've known  
And the secrets i've heard  
It would ease my mind  
Someone sharing the load  
But i won't breathe a word

We're two of a kind  
Silence and i  
We need a chance to talk things over  
Two of a kind  
Silence and i  
We'll find a way to work it out

While the children laughed  
I was always afraid  
Of the smile of the clown  
So i close my eyes  
Till i can't see the light  
And i hide from the sound

We're two of a kind  
Silence and i  
We need a chance to talk things over  
Two of a kind  
Silence and i  
We'll find a way to work it out

I can hear the cry  
Of the leaf on a tree  
As it falls to the ground  
I can hear the call  
Of an echoing voice  
And there's no one around

We're two of a kind  
Silence and i  
We need a chance to talk things over  
Two of a kind  
Silence and i

We'll find a way to work it out
