Lead vocal: peter straker

In a matter of a moment
Lost till the end of time
It's the evening of another day
And the end of mine

Now the starlight which has found me
Lost for a million years
Tries to linger as it fills my eyes
Till it disappears

Could it be that somebody else is
Looking into my mind

Some other place
Somewhere
Some other time

Some other place
Somewhere
Some other time

Like a mirror held before me
Large as the sky is wide
And the image is reflected
Back to the other side

Could it be that somebody else is
Looking into my mind

Some other place
Somewhere
Some other time

Some other place
Somewhere
Some other time
