We have the chance to turn the pages over
We can write what we want to write
We gotta make ends meet before we get much older

We're all someone's daughter,
We're all someone's son.
How long can we look at each other
Down the barrel of a gun?

You're the voice, try and understand it
Make a noise and make it clear
Whoa... Whoa...
We're not gonna sit in silence
We're not gonna live with fear
Whoa... Whoa...

This time we know we all can stand together
With the power to be powerful
Believing we can make it better

We're all someone's daughter,
We're all someone's son.
How long can we look at each other
Down the barrel of a gun?

You're the voice, try and understand it
Make a noise and make it clear
Whoa... Whoa...
We're not gonna sit in silence
Were not gonna live with fear
Whoa... Whoa...

We're all someone's daughter,
We're all someone's son.
How long can we look at each other
Down the barrel of a gun?

You're the voice, try and understand it
Make a noise and make it clear
Whoa... Whoa...
We're not gonna sit in silence

Were not gonna live with fear
Whoa... Whoa...
