Could you? You could never,  
Stop this world from turning for the better.  
And can't you? Can't you see?  
This world is run on tricks held up a sleeve.

Could you? I say could you see  
Yourself going of to war, in World War Three?

I'm just a boy, I'm not a man.  
I'm just a boy in a man's world.

Would you? Would you believe?  
When the government says,  
"Hey boy, it's time to leave!  
Why can't you, wake up today?  
And see there's nothing fun about  
These games they play.

Could you? I say could you see?  
Yourself going of to war, in World War Three?

I'm just a boy, I'm not a man.  
I'm just a boy in a man's world.

Slow down. It's a nuclear meltdown.  
I'm just a boy, I'm not a man.  
I'm just a boy in a man's world.
