"All Night!"

Visit "[All Night!](#)" on MotoLyrics.com

Calling up all my boys, all my ladies
Rendez vous at the club, at the club
We step in, all their eyes up on us
'Bout to burn it up!
Burn it up!

Poppin' bottles all night
We ain't even payin'
This drink has got me so hype
I'm gettin' gettin' faded

Bling so shine, new dress - looking so fly!
Yes we be playin' that's right
Rockin' all night
Woo, hey !

Who's here to party - all night?
Who's here to dance - all night?
I came to party - all night!
I came here to dance - all night!
I 'm here to do my thing so let's get it on - all night!
Let's do some crazy things to the break of dawn - all night!

Making bets you can't keep up with me
Cause this beat's got me light on my feet
Move your body, it's so hot, but don't stop
'Bout to burn it up!
Burn it up!

Yeah we'll steal the limelight
Like the rich and famous
This crowd has got us so hype
It's gettin' gettin' crazy!

Ha ha ha!

Chillin' with my crew and I'm feeling so fly
Yes we be playin' that's right
Rockin' all night

Telihana, let's go!

Who's here to party - all night?
Who's here to dance - all night?
I came to party - all night!
I came here to dance - all night!
I 'm here to do my thing so let's get it on - all night!
Let's do some crazy things to the break of dawn - all night!

It's the AM and this party is still jumping
In the hype of the night music's pumping!
Do your dance - isn't that what you came here for?
I'll do my dance - fire burnin' on the floor!

Party party party all night!

Who's here to party - all night?
Who's here to dance - all night?
I came to party - all night!
I came here to dance - all night!
I 'm here to do my thing so let's get it on - all night!
Let's do some crazy things to the break of dawn - all night!
