Why can't I hide, this feeling inside  
When I know you don't feel the same?  
And who do I turn to, when times get hard  
and I feel like running away?  
When you break it down and I'm still around,  
Why can't you understand?  
There's one of me and all of you,  
But I'm still half the man...

Yeah, I can't shake it, it's hard to move  
Cause I don't want to forget about you.  
And tell me how, I supposed to know,  
Or hold you down from something new.  
When it all falls down around you,  
And I feel like I'm naked in a hole,  
I need you here beside me,  
Cause I can't make it home alone...

There's a river in my soul, and it runs all the way  
through,  
And I'm watching, I'm waiting, I'm Tied Up In Blue over  
you.

Tell me how, I'm supposed to listen to you,  
When you tell me I've got to find somebody new...

And I can tell, cause you can't hide any longer.  
And I can say that I don't mind, and I'll try...  
Is this just a game that we play, give me the answer,  
Won't you help me girl to find my feet,  
Cause I can't taste nothing sweet, no more....

There's a river in my soul, and it flows all the way the  
way through.  
And I'm watching, I'm waiting and I'm Tied Up In Blue  
over you.
