Day Day Dreamer

Day day day dreamer

Day day day dreamers

Livin their likes through their dreams

Constant realization

Slowly motivating me to be

What IÂ'm sent here to be

Understanding

Never understanding

Never overdemanding

What it is I need

I amÂ....

Chorus:

Day Day day Day Day

IÂ'm a day dreamer

Living my living my life through my dreams

Verse 2:

Never knowing

Where IÂ'm going

Always tryna see and be

Whatever I can be to set my spirit free

I donÂ't know what you want from me

But I now I gotta be all I can be

I.....

Chorus:

A day day day dreamer (3x)

living my life through my dream

Rap:

I'm sitting here meditating

contemplating

never know where I'm going
but so tired of waiting
I wanna be free to fly
flow through the atmosphere soar
let me be me

Just a little day dreamer(3x)
living my life through my dreams
