I get high like a plane, when shes floatin through my
brain
Her name, is Mary Jane
I get high like a kite, cuz she makes me feel so right
When I'm smoking, like a choo-choo train
Now come on and get higgggghhhhhh
Baby lets get high
Said I'm up so high, do you wanna get high
I get high like a mountain top
When I'm harvesting my crop
And I'm marching through the fields of green
I get high like a telephone pole
Lots of inspiration in my soul

And your the purrdiest dang on thing that I ever seen
Now come on and get higgggghhhhhh
Baby lets get high
Said I'm up so high, do you wanna get high
I get high like a cloud when I want to shout it loud
That I'm proud of lovin weed this way
I get high like a bird
And I'm here to spread the word
That the herb is A-OK
Now come on and get higgggghhhhhh
Baby lets get high
Said I'm up so high, do you wanna get high
