CHORUS

I want you to come along and sing this song with me
I'll be more than glad to show you lots of hospitality
Make believe that we are floating high above the tallest
tree
We can climb the magic mountains and we'll sail the
seven seas
And I can take you to a place where you will have the
greatest time
Let your cares and worries be no more we'll leave them
far behind
I will show you lots of love but if you choose to do me
wrong
Then you can just kiss my fuckin ass, BITCH!

Well I'd like to take a moment just to tell you how to
deal
With people in your life who are always trying to make
you feel bad
Be as nice as you can and smile and pat them on the
back
But keep your gaurd up cuz you never know when
they'll attack
Don't let them fill you thoughts with rotten shit
That's all they wanna do
Walk away and say goodbye cuz they're no good for
you
If you wanna live a life that's limitless and really great
Keep your eyes focused on your own plate
Take a big ol bite keep singin

CHORUS

I want you to come along and sing this song with me
I'll be more than glad to show you lots of hospitality
Make believe that we are floating high above the tallest
trees
We can climb the magic mountains and we'll sail the
seven seas
And I can take you to a place where you will have the
greatest time
Let your cares and worries be no more we'll leave them
far behind
I will show you lots of love but if you choose to do me

wrong

Then you can just kiss my fuckin ass, BITCH!

I'll be more than glad to show you lots and lots and lots
of love

We'll smoke a lot of budd and I will give you all a hug

We'll sing some silly songs and I might even cut a rug

We'll party till the dawn and lots and lots of drinks we'll
chug

We're havin lots of fun and everybodys welcome in

This party lasts forever and I'm so glad your my friend

So crank it up a notch and come get high with Sticky

All we do is keep on singin
