welcome to the real world  
i hope you'll have some fun  
they will be triumph and tragedy until your days are  
done  
so brace yourself and pace yourself  
try not to disgrace yourself  
because a big fat nerd looks like a pearl  
here in the real world

well jump right in, dive head first  
aim for the best be prepared for the worst  
because this is your life live it right once  
because you can't live it twice  
now, everyday things might change,  
the normal life will be quiet strange  
so let me give you some of the facts  
life is stress so try to relax  
it's too short to be depressed  
when i'm down i must confess  
i sing, at the top of my lungs  
it makes me feel so good

welcome to the real world  
i hope you'll have some fun  
there will be triumph and tragedy until your days are  
done  
so brace yourself and pace yourself  
try not to disgrace yourself  
because a big fat nerd looks like a pearl  
here in the real world

well you know that l-i-f-e  
is a very special thing to me  
because i love mine and i love my mom  
i love my sister and i love my cat  
i love how songs don't have to rhyme  
i can change the tempo in the drop of a dime and say  
hippity hoppity flippity floppity hardy hardy who  
polly wolly noggin hoochy coochy coochy coo  
and say supercalifradglisticespialisticky  
oh lord halilujah raise your hands and say it with me

sing, halilujah halilujah ima live life like i want to

and you cant stop me,  
no you will never stop me cause im on my way to the  
top  
heck thats right baby, come and sing it now.

welcome to the real world  
i hope you'll have some fun  
there will be triumph and tradgedy until your days are  
done  
so brace yourself and pace yourself  
try not to disgrace yourself  
because a big fat terd looks like a pearl  
here in the real world

I i f e love is free everyday
