Damn near everyone gets to fall in love  
and everyone seems happy too  
They've all got plans  
and success in time  
But all I want  
well it's nothing new

Los Angeles  
take back my tears  
from everyone that I've known  
Los Angeles  
please clear these wasted years  
so I can breathe on my own  
Hear the music inside  
Hear my music inside  
I've been waiting for you  
Los Angeles

Damn near everything is such a drag  
when you wake to see that you're still damn here  
These same old bars and their apathy  
They've got to get me somewhere and set me free

Los Angeles  
take back my tears  
from everyone that I've known  
Los Angeles  
please clear these wasted years  
so I can breathe on my own  
Hear the music inside  
Hear my music inside  
I've been waiting for you  
Los Angeles

Los Angeles  
take back my tears  
from everyone that I've known  
Los Angeles  
please clear these wasted years  
so I can breathe on my own  
Hear the music inside  
Hear my music inside

I've been waiting for you  
Los Angeles

Los Angeles  
I want all of this and more  
Los Angeles  
I want all of you and more
