### Verse 1

I was crying in your eyes, your beautiful eyes  
Last night when I dreamed of you in my reckless sleep  
And I can't take it back no I can't take it back no more  
Just close the backdoor and shut me out put me on the street

### Pre-Chorus

And I wish I could bring it back how it used to be  
how it used to be

### Chorus

I swear I'm never happy  
What should I do to be with you  
Now that my life is over  
I'm losing myself and reality  
And I swear your all out to get me  
Got me doing things I would never do  
Before this day that God brought me to the arms you  
And I'm Losing Myself  
I feel I'm losing myself

### Verse 2

I look down hear you voice run over to the door but  
you're not there  
I watch the clock tick by and I know I'm dying but I dont  
care  
I need you for myself and for my health to keep me  
moving straight  
I don't understand how this could happen is this the  
twist of fate

### Pre-Chorus

And I wish I could bring it back how it used to be  
how it used to be

### Chorus

I swear I'm never happy  
What should I do to be with you  
Now that my life is over  
I'm losing myself and reality  
And I swear your all out to get me

Got me doing things I would never do  
Before this day that God brought me to the arms you  
And I'm Losing Myself  
I feel I'm losing myself

Bridge  
And it can never ever be the same  
It can never ever be the same anymore  
Im losing myself  
Im losing myself

Verse 3  
I lost my mind lost my heart lost my soul over you  
I've been trying to get them back but I haven't got a  
clue  
I don't know what to do from here everything is  
crashing down  
I guess it is all over now
