Verse 1

She say's she's at the end of her rope
I say please don't go
I've only known her for a day or two
But I know what I want to do
She thinks I'm crazy for being this deep
I know I'll tuck her in and watch her sleep
Because maybe I'm going crazy
But I know that I'll make her love me

B-Section

But I feel just so insecure on just about everything now
But I know that you belong with me

Verse 2

She looks at me and I wonder why
Just looking at her angel eyes
Makes me someone that I don't know
Now I can never let you go
She's as perfect as anyone can be
I'm exactly what this girl needs
Because maybe I'm going crazy
But I know that I'll make her love me

B-Section

But I feel just so insecure on just about everything now
But I know that you belong with me

(Instrumental Break)

Verse 3

Im watchin her from across the street
She has another guy in her arms
He might be what she thinks is right
But I know I'm going to change her mind
I don't care, they won't last I'm sure
I know god made me for her
Because maybe I'm going crazy
But I know that I'll make her love me
