Thank god we're alive  
It's time to design  
And reinvent our lives  
Our time is running out  
running out  
running out  
I can't bear to do this alone

These streets will be  
The very place we start again  
We'll learn, we'll grow  
Wipe the dirt off from your hands  
We'll stand, We'll fight  
Now's our final chance to find  
One moment in time  
Prepares for the rest of your life

Up from the ashes  
This city involves  
We're scaling the walls  
To reach the stars that shone

Starting over slowly  
Step by Step I'm growing  
I haven't come this far  
just to give here  
This is just the start  
I'm Beginning here
