(Tarsha)

Heard a teacher say
just the other day
how this world is so out of control
but he never said
what he meant to say
is his concerning is on households
he has a way with some
chose to have some fun
worriedly out of character
now he's scarred for life
how to tell his wife
what he gave her is terminal..

(Chorus)

Out of the darkness and into the light
pride in yourself to make everything right
what path do you chose to take concerning what's life
silence kills, silence kills..

(Anthony)

She lived a quiet life
kept it all inside
she chose to walk alone
had a lonely cry
from the tears she hides
a pain so unbearable
time pass you by, dying deep inside
in hope that no one will know
that being a loving wife
nearly cost her life
the thought of her kids here alone..

(Chorus)

Out of the darkness and into the light
pride in yourself to make everything right
what path do you chose to take concerning what's life
silence kills (repeat)

Oooooohhhhhh..

(Chorus)

Out of the darkness and into the light
pride in yourself to make everything right
what path do you chose to take concerning whatÂ's life
silence kills.. (repeat)
