You know they call me Theo
But baby you should know that
They screamin give it up but I think that you should
hold that
My etiquette is street so you know where all my clothes
at
I've been saved by the bell so you know I'm always
prozac, go hold that
I'm special, go tell a friend
When can we meet up again
You know I got the power make the weather turn to
showers
Let this moment last forever
make this second last an hour
The black jack bauer, please hand me a bag of powder
Whoa
Not that snortin kind
please take that right out yo mind
That Johnson and Johnson powder be making smooth
hands outta mine
I knew the real noreaga
I owed him like zero favors
He's owes me 35
Superthuggin grocery lines

x2
But let's get past that
My stocks went up no nasdaq
Credit flow no cash back
I'm past that, so crash that

Oo girl yo silhouette
Make me wanna light a cigarette
My theo from providence city and I be reppin it.
