## "Take You There"

You said you in need of a ride and I'm outside in time,  
let's go

Let's put the peddle to the metal bags packed baby  
let's rock and roll

Cuz if you want to fly away, girl we can do it  
And if you got to spend a day you've got to lose

Chorus x2  
Cuz if you want it I will  
Take you there  
And if you say you really need it  
I'll take you there  
And if you say you've gotta have it  
I will take you there  
And if you say you wanna go  
I will take you there

Bridge x2:  
I know that you want me  
I know that you  
You've just gotta have me  
But its up to you
