Oo-oo-oo-oo the secrets that you keep.  
I've only got myself to blame  
I played a losing game  
I lie awake and call your name  
Our love is just a picture in a broken frame  
It seemed so hard for me to share.  
It's even harder now that you're not there.

(Now baby)  
I'm losing sleep over the secrets that you keep  
(Oh baby)  
I'm losing sleep over the secrets that you keep  
I lie awake at nights not knowing where you are  
You know it don't seem right  
That you could be so far away from me.  
Oh the secrets that you keep  
Since you've been gone our worlds have grown apart.  
Now I don't know what's in your head or in your heart.  
Those little things you kept so secretly  
Well they don't mean much to you now  
But they mean so much to me.

If you could give me just one more chance  
I'm the fool who broke up our romance  
We used to have so many plans  
Then I went and let you slip right through my hands.  
I'll go searching till I find  
A way to get you back and make you mine.

(Until then)  
I'm losing sleep over the secrets that you keep . . .
