I said a hey you guys
Look who's awaitin' outside.
Well she got style you can see it in her feline eyes.
When she starts movin' you sure can tell
When she starts shakin' she's raisin' hell.
I said a hey you guys
Look who's awaitin' outside.

Do you remember how she left that floor last Saturday
night.
When the cat broke loose well she darn near started
the figh
Well she may be flashin' like a neon sign
But you can't touch her 'cause she's mine all mine.
I said a hey you guys look who's awaitin' outside.

And then the cat crept in and crept out again
The cat crept in and crept out again
So I open the door for that high-heeled paw
I said the cat crept in
Ooh
And crept out again.
I said the cat crept in and we crept out again.

I said a hey you guys
Look who's awaitin' outside
...

Hey you guys
You can hear that alley cat cry
Well she ain't superstitious but she's hangin' on life No.
9
Well you may not know it but she hides in the light
And she may not know it but this cat can bite
I said a hey you guys
Look who's awaitin' outside.

And then the cat crept in and crept out again
...

I said a hey you guys

Look who's awaitin' outside

...

Hey you guys

Look who's waiting outside

She got style you can see it in her feline eyes

Well she may be flashin' like a neon sign

But you can't touch her 'cause she's mine all mine.

I said a hey you guys

Look who's awaitin' outside.

And then the cat crept in and crept out again
