Every week and minute, I sit here thinkin' of you
Can't wait 2 get in it, I'm waitin' for the week to be
trough
Saturday is the only day I wake up thinkin' bout
Cuz any other day is just another day no doubt
Cuz everytime I think about you thoughts go trough my
mind
And everybody is working for the weekend
Everything is open on saturday night
Do knock out all my fellows with their hunneysz by my
side
The DJ spins a record till it hits the morning light
And everythings gonna be OK, Cuz it's a saturday
Ain't thinkin bout Monday or Tuesday or Wednesday
It's alright
Ain't thinkin bout Thursday or Friday cuz tonight's a
Saturday night

Every week and hour, I think about you sitting right by
my side
And I can't wait much longer, wanna show you how I
feel for you tonight
Saturday is the only day I wake up thinkin' bout
Cuz any other day is just another day no doubt
Cuz everytime I think about you thoughts go trough my
mind
And everybody is working for the weekend
Everything is open on a saturday night
Do knock out all my fellows with their hunneysz by my
side
The DJ spins a record till it hits the morning light
And everythings gonna be OK, Cuz it's a saturday

The DJ spins a record till it hits the morning light
And everythings gonna be OK, Cuz it's a saturday
Ain't thinkin bout Monday or Tuesday or Wednesday
It's allright
Ain't thinkin bout Thursday or Friday cuz tonight it's
Saturday night

Everything is open on a saturday night
Do knock out all my fellows with their hunneysz by my
