I just wanna run away  
Run away..  
Run away...

Tie me up in your backseat  
Cover up my eyes  
Blast me through your system  
Take me for a ride

Danger  
We going higher  
Set me on fire

Burn burn burn it up  
To the top  
Whoa  
Turn turn turn it up  
Blow up the radio  
Blow up the raidio

Take me up in you airplane  
I wanna kiss the sky  
Fly me into outerspace  
Stars are in my eyes

Danger  
I'm getting higher  
We'll set the world on fire

Burn burn burn it up  
To the top  
Whoa  
Turn turn turn it up  
Blow up the raido  
Blow up the radio

I just wanna run away  
From all of the pain  
All of the hate  
Got too much to say  
So I'll stay and blow up the radio  
Turn down you ignorance

And make a difference  
Turn it up  
Turn it up  
Burn it up

Burn burn burn it up  
To the top  
Whoa  
Turn turn turn it up  
Blow up the radio  
Blow up the raidio
