I wanna be a celebrity  
So you will be obsessed with me  
You'll sweat my style, want my man  
Take my picture whenever you can  
I'm gonna get me a famous face  
And I'm gonna do whatever it takes  
Botox, collagen, plastic surgery  
Lose more weight then everyone will love me

Brainwashed

Why would I want to be  
Anyone else but me  
Not everyone I see  
In a magazine  
We should think differently  
Find our own identity  
And maybe then you'll be  
In a magazine

Flash take my picture  
Flash it's gonna hit ya  
Flash take my picture

I wanna be a celebrity  
And everyone will be so jealous of me  
Rich, skinny, famous, pretty  
But just in case I still feel empty  
I'll just buy some self esteem  
But I can't find it in a magazine  
So maybe I'll just watch TV  
It's easier than looking inside of me

Brainwashed

Why would I want to be  
Anyone else but me  
Not everyone I see  
In a magazine  
We should think differently  
Find our own identity  
And maybe then you'll be

In a magazine

Take my picture  
Take my picture  
Flash take my picture  
It's gonna hit ya

Don't get brainwashed by TV  
Or every issue of US Weekly  
What they wear and what they say  
Is not the highlight of the day  
Together our society  
Should focus on reality  
Find your own identity

Why would I want to be  
Anyone else but me  
Not everyone I see  
In a magazine  
We should think differently  
Find our own identity  
And maybe then you'll be  
In a magazine

Take my picture  
Take my picture  
Flash take my picture  
It's gonna hit ya
