Electric

I'm an electric misfit love machine
And I come already turned on
If I could only say these words to you
We wouldn't be here with our clothes on
I always shut up
When you are around
I wanna go down, down, down

Why do we run away when we want it
Why do we let it go when we've got it
Tell me it's not too late to be honest
'Cause I want it
Yeah I want it
I want you, you, you
I want you, you, you

I'm an electric misfit love machine
And I need someone to work me
Your love is what I want to be
E-l-e-c-t-r-i-c atrophy
When I'm with you
I go in the shack
I can't even talk
Don't know what to do
I always shut up
But this time around
I'm gonna go down, down, down

Why do we run away when we want it
Why do we let it go when we've got it
Tell me it's not too late to be honest
'Cause I want it
Yeah I want it
I want you, you, you
I want you, you, you

Electric

We wanna go on a ride with me

I wanna sit inside and see ya
Taste it, get you wasted
And get naked, watch we shake it

We wanna you to scream my name
Have you ever been with a love machine
Lo-lo-love machine
Lo-lo-love machine
Electric misfit lo-lo-love machine
Electric misfit lo-lo-love machine

Why do we run away when we want it
Why do we let it go when we've got it
Tell me it's not too late to be honest
'Cause I want it
Yeah I want it
I want you, you, you
I want you, you, you

Why do we run away when we want it
Why do we let it go when we've got it
Tell me it's not too late to be honest
'Cause I want it
Yeah I want it
I want you
I want you
I want you

Can't you see
That you and me
Are meant to be
A love machine
