Last night I read all of your sorry love letters  
From back in the day when I thought this was forever  
But lately somethings been on my mind when we get  
together  
The taste of your lips  
The touch of your hands  
The sway of your hips is different than I remember  
How can you call yourself a man  
If you wanna stay with me than only in your fantasies

CHORUS:

Oooo I got that feelin  
Yeah I know that feelin  
Oooo I'd like to know if it's true  
Oooo I got that feelin  
Yeah that dirty feelin  
Only one you're foolin is you

I feel like screaming murder when I see your phone  
ringing  
I'm askin who is callin  
Whatcha doin  
Why ya leavin  
You always got some kind of smooth talkin explanation  
And then you leave me all alone with my frustration

Can't even try to tell me the truth  
The look in your eyes is empty and cold oh baby  
I can't believe that I ever loved you  
If you wanna to stay with me than only in your fantasies

CHORUS:

Oooo I got that feelin  
Yeah I know that feelin  
Oooo I'd like to know if it's true  
Oooo I got that feelin  
Yeah that dirty feelin  
Only one you're foolin is you

(OOooooo) Oooooooo  
I know it's true when you walk in the room

Red lipstick on your jeans and her cheap perfume  
You're just a fool I don't wanna waste time with you  
If you wanna to stay with me than only in your fantasies

Oooo I got that feelin  
Yeah that dirty feelin  
Oooo I got that feelin  
The only one you're foolin is you

CHORUS:

Oooo I got that feelin  
Yeah I know that feelin  
Oooo I'd like to know if it's true  
Oooo I got that feelin  
Yeah that dirty feelin  
Only one you're foolin is you

(Ooooo ooooo)  
(Ooooo ooooo)
