I just can't stop, I'm a freak
I just can't stop moving my body
We just can't stop when the beat drops
We just can't stop rockin' this party

In my knee high boots, in my zebra dunks
My custom stamps chucks, or in my f*ck me pumps
In my truck stop shades, in my fake gold chains
On the dancefloor, you won't forget my name

'Cuz when I'm in the kitchen cooking up the new shit
When I'm in the bedroom taking care of bizness
I'm a freak for the beat and I just can't stop
Just can't stop
Just can't stop
Just can't stop

I just can't stop, I'm a freak
I just can't stop moving my body
We just can't stop when the beat drops
We just can't stop rockin' this party

In the alley in the basement of the super mercado
In the mirror, in the shower, from the hills to the ghetto
At the ATM or in the parking lot
I breakdance, robot, pop and lock

'Cuz when I'm in the kitchen cooking up the new shit
When I'm in the bedroom taking care of bizness
I'm a freak for the beat and I just can't stop
Just can't stop
Just can't stop
Just can't stop

Dirty, dirty base gimme

I just can't stop, I'm a freak
I just can't stop moving my body
We just can't stop when the beat drops

We just can't stop rockin' this party

'Cuz when I'm in the kitchen cooking up the new shit
When I'm in the bedroom taking care of bizness
I'm a freak for the beat and I just can't stop
I'm a freak for the beat and I just can't stop
